

THE TEEL DEAL

The current economic climate has made it more important than ever for a manufacturer to truly trust that their sale representatives are properly marketing their products.

Teel Marketing is committed to providing the manufacturer with the following **“NONNEGOTIABLE”** core values.

- ❖ **TMS** will be committed to “farm” existing business by providing well executed sales training to properly increase the existing sales of dealers.
- ❖ **TMS** will “hunt” for new business, both inside and outside the industry, to help increase market share and profits.
- ❖ **TMS** will give your company the attention that it deserves everyday of the week, every month of the year. To TMS, you are more than a manufacturer. You are part of
